THE RESPONSIBILITY OF KNOWLEDGE

The values of critique and social relevance in research on communication and culture

Edited by

MARIA FRANCESCA MURRU

Università Cattolica del Sacro Cuore Milano

NICO CARPENTIER

Vrije Universiteit Brussel (VUB - Free University of Brussels)

This special issue stems from the reflection on the social relevance of academic research on media and communication conducted by Working Group 2 (WG2 – audience interactivity and participation) of the Transforming Audiences, Transforming Societies (TATS) Cost Action.
